

Index to *Cub Clues* Newsletters #1 - #183 • December 2014

Articles, Books, Videos about Cubs or Pipers.....	1
FAA - Rules & Procedures	1-2
Flying - Places to Go/Noteworthy Flights	2-3
Flying Techniques - Including Aerobatics.....	3
Fuel & Oil.....	3-4
Hangaring, Towing, Pushing, Lifting, Tying Down	4
History - Aircraft Exploits	4
History - Company	4-5
History - War Time.....	5
Maintenance, Repair, Alteration	5-21
Cockpit - doors, windows, floors.....	5-6
Cockpit - seat belts, harnesses.....	6
Cockpit - seat, upholstery, baggage area.....	6
Controls & control surfaces	6-7
Converting to different model	7
Covering & painting	7-9
Electrical system, radios, lights	9-10
Engines - accessories.....	10-11
Engines - conversions.....	11
Engines - general.....	11
Engines - maintenance/overhaul	11-12
Engines - mounts, firewall, cowling.....	12
Fuel system - selector, lines, tanks.....	12-14
Fuselage	14
Gear - axle, legs, bungee, etc.	14-15
Gear - floats & skis	15
Gear - tailwheel	15
Gear - wheel pants, fairings.....	15-16
Gear - wheels, brakes, tires, tubes.....	16-17
Heating & ventilation	17
Maintenance - inspections, general	17
Panel & instruments	17-18
Placards, decals & nameplates	18
Propellers	18
Rigging, trimming, weight & balance	19
Tail Surfaces	19
Wings & struts	19-21
Miscellaneous.....	21-23
Model Info - Development, Performance, Flying, Description	23-29
All models.....	23
E2.....	23
J2	23-24
J3	24-26
J4	26
J5 (also AE-1 & HE-1).....	26
L-4	26-27
Other.....	27
PA-11.....	27
PA-12.....	27-28
PA-14.....	28
PA-18 & 19.....	28-29
Models	29
Serial Number, Frame Number, N Number.....	29
Sources - Parts, Manuals, STCs Prints, 337s	29-30
Listing of Clyde Smith Jr. "Cub Doctor" columns.....	30-32

ARTICLES, BOOKS, ON OR ABOUT CUBS OR PIPERS

"See No Evil" – Recommended Book of Cubbing	16 / 02
"Box Seat Over Hell" (L-4 Exploits) by Cannon	17 / 02
"Mr. Piper & His Cubs" Book – Avail. For \$40	18 / 02
J3/L-4 Flight Training (Early '40s) Video	21 / 03
"Ice Runway" – Book on High Country/Winter Flying	22 / 11
Video on Float Flying	23 / 03
"Piper Aircraft & Their Forerunners" by Smith & Peperell	24 / 01
"Coast-to-Coast in Cub" – Ed Byars	26 / 02
"Putt-Putt Air Force" (CPTP Program of '40s)	26 / 02
"Coast-to-Coast in Cub" – Ed Byars	27 / 01
J3 Cub Video Available (G & M Mgt.)	32 / 12
J3 Cub Video Available (G & M Mgt.)	34 / 10
PA-18 stars in 3 part video	53 / 01
Children's book "The Flying Sunbeam"	56 / 02
Aviation & Pennsylvania book from Cub Club	57 / 03
J3 Children's Book Available	57 / 11
Ed Phillips Piper Cub book available	59 / 10
Taildragger/Farmstrips, British video	61 / 03
L-4 book available – Unsung Flyers	69 / 02
Book Mr. Piper & His Cubs available again	75 / 01
The First Cub – book by Chet Peek on E2	75 / 02
Cubs on the Loose by Lyle Wheeler	107 / 12
Flying Low by Lt Joseph F. Gordon	107 / 12
Janey is now available as a talking book CD	113 / 01
The Cub That Roared, video/DVD available	114 / 06
Taildragger and propping DVS's available	117 / 04
Tailwheel transition manual available	122 / 13
Low and Slow: L-4 in the Philippines during WWII	127 / 03
Alone and Unarmed: L-4 flying in Italy during WWII	128 / 02
Cubs & club members in recent publications	128 / 03
Alone and Unarmed – Update	129 / 05
Cub Club Members Featured in National Mags	131 / 12
Exciting News for J3 & PA-18 Restorers	132 / 14
Cub Club.org	132 / 02
A Review of the J3 & PA-18 Wing Assy. DVD	132 / 14
Piper Cub Tales 3000 Hours of Flying Fun	134 / 04
Cleveland National Air Races	134 / 04
Cleveland National Air Races – Correction	135 / 01
